Shelly, we were told that if we are to have a liquor licence for an event and the event was held on municipal property that it was to be considered a municipal event. This included our meetings.

Hello again Bruce,

We are planning to bring this to the August 27 Council meeting.

Can you explain the municipal significance of the monthly meetings? (The AGCO does not provide a definition of "municipally significant"; this is at each Municipality's discretion. Your explanation will help Council to make a decision.)

Best,

Shelly Steffler

Thank you, Bruce,

Can you provide the times for the fundraising events, and clarify whether if the Fish Fry is November 2018 or 2019?

Thanks,

Shelly Steffler

We require this because we get a non sale liquor licence for our meetings.

Bruce C.

Good afternoon, Bruce and Gerald,

Dianne asked me to contact you about this; can you clarify why you are requesting the meetings be declared municipally significant?

Thank you,
Shelly Steffler
